

ENVIRONMENTAL POLICY

Woolgar Hunter Ltd based in Scotland provides Civil and Structural Engineering Consultancy including Civil, Structural & Geo-environmental engineering design across the UK and occasionally worldwide.

The Environmental Management System and policy of Woolgar Hunter Ltd encompasses:

- External and internal issues of relevant to the Company
- Requirements of the Company's interested parties
- Environmental compliance obligations
- All products and services relating to the Company's customers
- Environmental control and influence where possible

This Policy provides the framework for setting our environmental objectives. The Company's environmental objectives are set, reviewed, and approved by top management via our annual (as a minimum) Management Review meetings.

Top management commits to protect the environment; this includes the prevention of pollution, as well as other relevant environmental issues specific to Woolgar Hunter Ltd.

The top management of Woolgar Hunter Ltd commit to fulfilling all relevant environmental compliance obligations.

The top management of Woolgar Hunter Ltd will provide the necessary means to ensure that the Environmental Management System can achieve continual improvement to enhance environmental performance.
